Nominations for Elder and Deacon

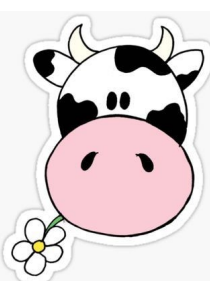

Shortly, it will once again be time to give our thanks for those who have served the Lord and His Church so faithfully and elect members to serve on the Council as either an elder or deacon. The deadline for submitting nominations is Sunday, March 21. As we begin this process please consider the following requests:

- 1.) Pray the Holy Spirit will raise up the nominees we will need for the office of administrative elder (1), administrative deacon (1), shepherding elders (2), and shepherding deacon (2).
- 2.) Submit to Bob Razenberg, Council Clerk, the names of those you believe are qualified and gifted to be called to serve in either office. Prior to nominating an individual, please ask them if they are willing to serve.

Requested Announcements

Kalamazoo Christian High School Presents *Much Ado About Nothing* by William Shakespeare: One of Shakespeare's funniest and most accessible comedies, *Much Ado About Nothing* is the story of Beatrice and Benedick, who can't stand the sight of each other, and their friends who think they are made for each other. Solution? Trick them into falling in love. Set on the campus of Messina

State University, this play features a rivalry between the football team and the bowling team, several student romances, and a couple of bumbling safety officers. You won't want to miss the shenanigans that they get up to, so come see the show! Performances at Comstock Community Auditorium March 18, 19, and 20 at 7 PM; matinee March 20 at 2 PM. Tickets are \$10 and there is an audience limit of 265 people per show, masks and social distancing required. One of the performances will be recorded and available online at some point during the show weekend for those unable to get a ticket or nervous about attending in person. Check out the Kalamazoo Christian Facebook page and the Facebook event for the play for information about that. *Come see Connor Tuin play the role of Benedick and Olivia Bosch as Miss Sexton.*

A Roshan Update

Brick by brick the Roshan School is going up! Every day they give us a report on the specific parts of the structure they are building. The decision has been made to make this first part two-story with six classrooms up and six down. They are almost ready to lay the first-floor ceiling or floor of the upper story. This thick layered floor will need a week or 10 days to dry thoroughly. Then they can focus on putting up the classroom walls and roof overall.

We have seen the progress and the men are working hard in a hot and humid climate. We thank them for their effort and endurance and know they are being blessed by the Master Builder!

Family Faith Formation Tip

Most of us are not naturally good listeners, and that can affect our relationship with God.

Practice "listening prayer" this week.

Find a quiet spot, calm your mind, and invite God to speak to your heart.
