Advance Notice: Our next church potluck will be on February 5 after our morning service.

FIVE MINUTES: Here's the challenge: When the service ends, let's do our utmost to give the first five minutes to someone we don't know or to someone we don't know well. There will be time to catch up with the people you know. But first we can make a difference in someone's day if we will make the most of the moments following that final "amen." The power of a sincere welcome matters!

Wonderful Things, Planned Long Ago - Check out the new kids' devotion at www.kidscorner.net. This week's devotion: Just as he did with Abraham, Ruth, David, and the other members of Jesus' family, God carefully oversaw your family tree and lovingly cared for each branch to bring you into this world. Check out all the great content at kidscorner.net like the The Bible in One Year Plan.

Groundwork: God's Unconventional Ways - When we expect God to work in conventional ways, we may often find ourselves disappointed. Join Groundwork as we study the fall of Jericho in Joshua 6-7 and discuss the unconventional ways God works in our lives. Together, we'll discuss what this truth means for our faith and what happens when we begin to depend on ourselves instead of on God. Listen now at Groundworkonline.com and subscribe to Groundwork's weekly emails for future episodes.

Family Faith Formation Tip

"Marking faith milestones makes us sensitive to the work of the Holy Spirit in our midst and helps us identify and share our stories of faith. As we celebrate milestones, we become a community of seekers as well as believers, always on the lookout for God's hand at work, always expecting to join in God's mission." –from Celebrating the Milestones of Faith, available from FaithAliveResources.org.

How might you mark faith milestones in your family or household this year?
